

## Character Toy

R199.99

Spirit Buddy is a lovable, professionally designed, interactive, multifaceted character toy that introduces and develops the message of the gospel and a personal relationship with God. The character toy and the book explains the gospel to the children in a fun and exciting way. It teaches them about sin, forgiveness, salvation in Christ, spiritual growth, communication with God and missions. The physical development will be addressed because the zip and shoe laces will give the child the opportunity to enhance fine motor skills. The cognitive development will be enhanced for the child will be exposed to the four primary colours. Spirit Buddy also presents the opportunity for a sensory experience because the child is exposed to different mediums of touch. This doll is available in a Caucasian colour.
